**APPENDIX I Citations for Representation of Claims**..... 173

<b>Chapter Summary</b> .....	
This chapter contains federal statutes and VA regulations that we think are pertinent to representation of initial claims for veterans benefits. There are certainly other statutes or regulations that we have left out that may pertain. Our intent here is to give our readers enough information to interpret on their own how Congress views the participation of veterans’ representatives in the claims process. We also include two letters from VA that help clarify these issues. Here is our list of citations:.....	173

38 CFR § 14.627 Definitions. As used in regulations on representation.....	174
38 USC Section 5901. Prohibition against acting as claims agent or attorney.....	176
