Residential Options for Seniors and the Elderly, LLC offers a unique and premier combination of residential options for seniors and the elderly in San Diego County. By connecting seniors and the elderly using a caring and individualized approach to well qualified residential options, we can take the stress and confusion out of a difficult decision.

We provide information to the prospective client and family on residential communities, accompany them on visits to the various facilities and facilitate placement.

Virginia Renker, the founder of Residential Options for Seniors and the Elderly, LLC, has her Master's in Public Health and a 25 year background in both health and academic settings. She serves as a volunteer for Meals on Wheels and Rides for Neighbors in La Mesa, CA. With first-hand knowledge and experience, Virginia will guide you with compassion and understanding as you navigate this life transition.

A recent client:
